Product and ordering information

Model available in price groups 6, 8, 10, D, H, J,M and X -

For choice of fabrics and leathers please refer to our latest fabric/leather collection

STRUCTURE:

Frame: Load-bearing parts of the frame made of solid wood and wood-based materials, surfaces lined with padded cardboard.
Seat: Spring system with permanently elastic steel sinuous springs and upper-side cover.
 PUR foam seat (min. RG 35) structured in layers in different thicknesses and hardnesses . Seat covered with cotton wadding.

Back: Fixed back made from ergonomically shaped foam (at least RG 25).structured in layers in different thicknesses and hardnesses . Cover made of cotton wadding.

FUNCTIONS:

without relaxing function - manual adjustable head rest
 manual relaxing function and manual adjustable head rest - **available at a surcharge**
 semi-motorised relaxing function - motorised relaxing function and manual adjustable head rest - available at a surcharge
 motorised relaxing function and motorised adjustable head rest - available at a surcharge

manual relaxing function

Pulling on the loop attached on the side adjusts the seat and back.
 The head section can be adjusted separately.

motorised relaxing function

For elements with an armrest to be switched on by a button
 For elements without armrests by remote control

ACCESSORIES: Cushion (approx. 40x40 cm), cushion (approx. 50x50 cm), cushion (approx. 60x60 cm) - ONLY available at a surcharge
This model is only available single coloured.

Legs: Metal (chrome plated)  or wood, available wood colours according to our wood tone card (without special colours) 

OTHER: Due to the design, height differences of 1 to 2 cm may occur with combinations ordered with a mixture of "without function / with function".
 All materials used meet the requirements of the DGM according to RAL GZ 430.

The appearance of the stitching may vary depending on the fabric, leather and artificial leather used. The definition of quilted mats and cushions depend on the design and structure. The appearance of decorative, fell and double seams may vary depending on the fabric, leather and artificial leather used.

Especially light upholstery is distinguished by its highly soft surface. In new condition, the covers exhibit a pronounced wave pattern purposefully based on the design and structure. The upholstery will adjust to the shape of the body and the firmness of the seat will give a little bit. Minor differences in seat firmness with add-on units are design-based and are therefore not a cause for complaint.

Suites are standardly delivered with the back covered in the chosen fabric. All material-related information can be found on the back refer to our of the individual fabrics and leathers in our fabric and leather samplers.

All dimensions stated in the price list are approximate dimensions in centimetres. We reserve the right to make changes in shape, colour and design within the scope of technical progress. Please always order from left to right as standing in front of the suite.
