Model Colorado

Product and ordering information

Model available in price groups 6, 8, 10 -

Please refer to our current fabric/leather collection for the fabric/leather collection!

STRUCTURE:

Frame: Load-bearing parts of the frame made of solid wood and wood materials, surfaces lined with padded cardboard.
Seat: Spring systems with permanently elastic steel sinuous springs and upper-side cover. Seat made of PUR foam (min. RG 35), covered with cotton wadding. Permanently elastic spring base made of slats (glass fiber reinforced, thermoplastic polyethylene slats). Seat made of PUR-foam (min. RG 35), covered with cotton wadding. Soft, loose upholstery in which a model-related and design based wave formation of the covers and seat imprints are typical. The upholstery will adjust to the shape of the body and the firmness of the seat will give a little bit. Minor differences in seat firmness with add-on elements are design-based and are therefore not a cause for complaint.
Back cushions: Loose back cushions with PUR-foam (min. RG 25) and a cover of cotton wadding. The back cushions can be placed loosely on the base elements. To prevent them from shifting a weight is incorporated (fabric cover filled with sand) and an anti-slip lining is also used.

ACCESSORIES: Cushion (approx. 40x40 cm), cushion (approx. 50x50 cm), cushion (approx. 60x60 cm), cushion (approx. 60x40 cm) - ONLY available at a surcharge
Flutter cushion square M (ca. 75x75 cm), rectangular M (ca. 95x75 cm), square L (ca. 95x95 cm) - ONLY available at a surcharge

Colour variants: This model is only available in fabric / decorative fabric!
Edges in fabric are always in the same fabric and same colour as the chosen fabric
Edges in leather can be chosen in all leather qualities and colours! Edges in leather are always at a surcharge!

Decorative fabric: The decorative fabrics Classy, Flower Power and Jungle are only available for the types "Base" and "Back cushions" and is not produced in repeating pattern. Cushions and flutter cushions are available in all decorative fabrics.

Leg: Glider

OTHER: **Elements are completely covered and can be placed separately!**
Colour abrasion and / or colour pigment migration is unavoidable with cover combinations with light / dark cover materials.
All materials used meet the requirements of the DGM according to RAL GZ 430.
The appearance of the stitching may vary depending on the fabric, leather and artificial leather used. The definition of quilted mats and cushions depend on the design and structure. The appearance of decorative, fell and double seams may vary depending on the fabric, leather and artificial leather used.

Suites are standardly delivered with the back covered in the chosen fabric. All material-related information can be found on the back of the individual fabrics and leathers in our fabric and leather samplers

All dimensions stated in the pricelist are approximate dimensions in cm, determined according to usual measuring method (see RAL-GZ 430) and in unused new condition. Please note that in case of very light upholstery especially the seat height and seat depth can be discerned during the course of use to the dimensions mentioned. We reserve the right to make changes in shape, colour and design within the scope of technical progress. Please always order from left to right as standing in front of the suite.
